

August 30, 2017

Dear Parents,

We are enjoying working with and getting to know your seventh-grade child! At this point in the school year, your child has likely mastered his/her locker combination and the daily schedule/routine. Your child has also learned that we seventh grade teachers have high expectations for academic achievement and classroom behavior.

During advisory today, we shared information about an end-of-year incentive field trip to Michigan's Adventure. There will be a cost for eligible students to attend the celebration to cover the event and transportation. We even offer fundraising throughout the year to defray the cost. This should be an awesome experience for all, and it is a fabulous way to celebrate the end of a wonderful year! We would like every child to be invited.

Students **CAN** go on the field trip if they meet **ALL** criteria below:

1. **No more than one day of suspension.**
2. **No "4" in Advisory for citizenship.**
3. **No more than one E on "Semester I" report card.**
4. **No E's on their 3<sup>rd</sup> Quarter report card.**

Where: Michigan's Adventure via Charter Bus  
When: Wednesday, June 6, 2018                      6:30am (Bus Departs)                      8:30pm (Bus Returns)  
**(Permission slips for qualified students will be distributed after 3rd quarter report cards.)**

Again, it is our hope that every seventh grader will be able to enjoy the end-of-the-year incentive field trip. If you have any questions, please do not hesitate to contact your child's advisory teacher. We look forward to a wonderful year!

Thank you,

The Seventh-Grade Teachers
