Dear Parents,

We are enjoying working with and getting to know your eighth-grade child! At this point in the school year, your child has likely mastered his/her locker combination and the daily schedule/routine. Your child has also learned that we eighth grade teachers have high expectations for academic achievement and classroom behavior.

During advisory today, we shared information about an end-of-year incentive field trip to Cedar Point. There will be a cost for eligible students to attend the celebration to cover the event and transportation. This should be an awesome experience for all, and it is a fabulous way to celebrate the end of a wonderful year! We would like every child to be invited.

8th grade students who meet ALL of the following criteria will be invited to participate:

- 1. Passing citizenship with no “4” in Advisory for citizenship.**
- 2. Passing grades (no “E”s) in all classes on 1st Semester and 3rd quarter report cards.**
- 3. No suspensions.**

Where: Cedar Point Amusement Park via Charter Bus
When: Friday, June 1, 2018 7:00am (Bus Departs) 10:00pm (Bus Returns)
(Invitations for qualified students will be distributed after 3rd quarter report cards.)

Again, it is our hope that every eighth grader will be able to enjoy the end-of-the-year incentive field trip. If you have any questions, please do not hesitate to contact your child’s advisory teacher. We look forward to a wonderful year!

Thank you,

The Eighth-Grade Teachers
